Housing Round Table Information

Facility: Venue that allows participants to be seated around tables to discuss common regional matters regarding housing. Projection screen is needed.

Participants: Plan for 30-40 participants including speakers.

Participants from communities within 45-60 miles:

- | | |
|---------------------------------------|--|
| * Legislators | * Lenders |
| * County Commissioners | * Economic developers |
| * Regional Councils | * Rural electric cooperative representatives |
| * Housing Authority members | * Regional / Local Utility Companies |
| * Telecommunications Companies | * Jobs Development Authority members |
| * Mayors & other municipal leadership | * Local broadcast and/or print media |
| * Other Development Organizations | |

Time Frame: 10:00 a.m. to 2:00 p.m. with a working lunch (paid for by participants)

Cost: Charge participants a nominal registration fee to include the cost of lunch, room/venue expense and materials.

AV Equipment: NDRDC will provide laptop and projector.
Community – Projection screen would be very helpful.

Invitations & Publicity: Duties will be a shared responsibility between the NDRDC and the sponsoring community(ies).

- NDRDC will provide press release, posters, invitation and program design to help get the word out.
- Communities connect with local media, post flyers, and encourage local leaders to attend.

Presentations and Content: Members of the Statewide Technical Assistance Team will provide the program. (STAT=Network of public and non-profit agencies to assist local communities)
